VISION of HAJA

In honor of psyche, we seek to provide excellent and transformative learning

MISSION of the HAJA SEMINARS

The mission of HAJA is to create a safe yet challenging community of learning in the field of Jungian depth analysis. We endeavor to transform both the individual and society through the process of bringing the unconscious to consciousness and thus creating greater collective consciousness.

SEMINAR GOALS

- ◆ Promote exploration of individual, authentic path
- ◆ Provide quality education in Jungian depth psychology
- ◆ Heighten awareness of inter-connectedness
- ◆ Mentor professional development
- ◆ Offer clearly structured curricula
- ◆ Provide a professional faculty of certified Jungian analysts
- ◆ Provide nationally certified CEs
- ◆ Offer preparation for candidacy in formal training

PARTICIPANTS will have completed at least four years of higher education and have some background in psychology. Application forms with \$25 application fee are due no later than August 15, 2018.
